

At William WHITMEY Independent Funeral Directors we believe in providing a service that is second to none, whilst also offering value for money. To make it easier for our clients we have designed four options which we believe will make it simpler for our families to choose the best service for them.

All of our options are inclusive of the removal of the deceased from the place of death to our Private Chapel of Rest, provision of our hearse, all administration costs, arranging the funeral and any legal advice that might be required.

Please note that the prices quoted below are only OUR charges and DO NOT include disbursements. Disbursements are the fees that are payable to third parties that are beyond our control but done on your behalf.
