

FUNERAL PRICE LIST

(As from 1st April 2025)

At *William* WHITMEY Independent Funeral Directors, we believe in providing a service that is second to none, whilst also offering value for money. To make it easier for everyone, we have designed our price list so that it is clear, with no hidden costs or surprise invoices and will hopefully make it simpler for our families to choose the best service for them or their loved one.

OUR 'SIMPLE' NON-ATTENDANCE OPTION: £1495.00 (TOTAL COST).

All funeral directors are bound by trading standards to offer a basic/simple funeral option. This is also to help those families, who in these difficult economic times, are trying to keep an eye on their finances, or for those who may be dealing with the funeral of someone who has sadly died but left little or no provision for the cost of a funeral. Please note that this option is not open to alteration.

OUR 'TRADITIONAL' OPTION: £2915.00 (TOTAL COST).

For this, we provide all necessary funeral services, including a Rookwood Oak Coffin, gloss finished and fully fitted throughout. This option does not however include hygienic treatment of the deceased or viewing at our Chapel of Rest. The hearse will meet you at the crematorium for a funeral at 09.00am or 09.30am on a date that is suitable to you (where possible), ourselves and availability at the crematorium. Please note that this option is not open to alteration and does not include a minister/celebrant or staffing costs.

OUR 'ELEGANCE' OPTION:

Price from £1600.00, plus Disbursements (Approx. £1300.00).

Our 'ELEGANCE' option is designed for you to create your own bespoke funeral. The initial cost comprises of all disbursements, removal of the deceased from the place of death to our Private Chapel of Rest (10-mile radius), provision of our hearse and all administration costs funeral arrangements. You may choose your place, date & time of the funeral (subject to crematorium/cemetery availability) and you can elect to leave from your own home or any other appropriate location. You can then choose the services you require from the list below. By selecting the services in this way, you will be in full control of the price you pay.
